Election of officers (need President and Vice President)—no one came forward at this time.

Rule #27—Classes and minimum of five shooters to award trophies/money. Discussion took place on what the dollar amount should be for top winners. Marty Weiske made a motion, seconded by Dave Bloch, to leave the dollar amount up to the discretion of the officers.

A member (from Bucky's team) brought up the thought of going back to the handicap scoring. He did not make a motion, and other members didn't really feel compelled for more discussion on this idea.

Steak fry vs. buffet style. Thursday night vs. Friday night. Shelly Clark brought up the thought that the steak fry is a lot of work for the league workers and that the buffet style gives them a break. Mark Belau suggested we do a questionnaire at the start of the next shoot year.

Steve and Jill are not running for league officers next year. Call made for volunteers. There was acknowledgement for both for the work they have done with the league.

Announcement made that club is still open on Tuesdays. Call for Ironman workers.

Motion to adjourn by Gary Witzke and seconded by Eric Johnson. Motion unanimously approved.
