PRESIDENT'S PAGE

Hello all, I hope you have had a great summer and enjoyed the events we have had at the club. It seems as though we were just talking about the start of Summer Trap and bang it is already ended. Congrats to all the victorious teams and thank you for making our 40th year a memorable one. What better way to wrap up the season than Pull my Finger did with a perfect score of 125 with some of them not even using their own guns!

As far as some of the other events at the club the Sporting Clays is coming to a head to wrap up that season. The 5 stand is the best value on the block as the Board of Directors want to rock the house with a price reduction on the 5 stand. You will now be able to shoot 5 stand for the same price of \$3.50 for 25 targets. This will get you tuned up for the hunting season and fill those freezers. JD and Mark will probably have more up their sleeve to make the rest of the season a load of fun.

As this letter arrives to you the Iron Man 2016 will have come and gone I hope you had a chance to help your club and also get a chance at either pheasants or shooting cards. Your club always is looking for help as we try to grow and offer more events. As far as help goes, the Target Terminators have been helping Steve Beres and Dave Polzin around the club with numerous projects the last couple months and have the club looking great!

The Target Terminators came back from nationals with numerous awards and personal bests once again. To be at Sparta Ill. with this group of youngsters is truly a blast. We are very fortunate to have such a good group of ambassadors. Not only are they very good shots but they are a true tribute to what we want our club to be remembered for. To the members of the club, **thank you** from the Terminators for your support in youth shooting!

In closing remember that in October we will have an annual membership meeting. We will be looking for parties interested in running for the board. Please try to attend this meeting as I would so much like to see a full house at this meeting. Remember this is your club and you can make it better! Finally I hope you all have a great fall and good luck with the hunting season. We will still be open on Sundays so don't be strangers.

Good Luck and Be Safe

Respectfully,

Gary Witzke -President

It has come to our attention that there have been children in the woods and on the tower by the 5 Stand area during shooting events. This is a real safety issue for the children and the club, so please keep an eye on your children and keep them by the pond or the clubhouse. If you see children where they do not belong, please report it to the shoot chairperson.

Land Purchase

Just to keep you updated on the progress of the land purchase. The survey has been completed and the results are in the hands of the current owner. The purchase should be completed within the next 30 days. If anyone would like to make a donation toward this purchase, please make the donation to the **Berlin Conservation Club Foundation**.
