President's Page

Hello All,

Hope everyone is enjoying the warm weather that finally showed itself over the last couple weeks. Currently we are in the heart of our busy season at BCC. We are already halfway through our Thursday Night Trap League and everything is running smoothly once again. Thank you to everyone that helps make this one of the most popular leagues in the area! Tuesday nights have also been busy with Trap, Skeet, and 5-Stand available. Sporting Clay Events have once again brought in record numbers with people coming from all over the state to participate.

The pheasant farm has come to life with over sixteen hundred chicks being delivered! If anyone is interested in helping out at the farm there will surely be work days posted soon.

Projects continue at the club grounds. Currently we have new targets being built for the archery practice range. Many more improvements are planned in the coming months so keep an eye out for what is coming next.

A huge thank you to everyone that supports the BCC! Your support helps us to be one of the best Conservation Clubs in the state.

Until next time, have a safe and enjoyable summer!

Respectfully,

Don Konen, President

Can you believe it!?!?
